INVESTING

IN LIVES

TRANSFORMING

A GENERATION

An Initiative of Youth TransformNations

championkids

Champion Kids' aim is to train up children in the way they should go according to God's word (Proverbs 22:6), providing a caring home for orphans and children in poverty and at risk, as well as a centre of learning to grow to become champions to transform their world for Christ (Esther 4:14).

Through the PLATFORM of Youth TransformNations(YTN) working in partnership with a local Christian agency Help in Action Ministries, located in Vijayawada, Andra Pradesh, India, a children's home and Jireh English-medium School were started and continue to grow.

BACKGROUND OF VIJAYAWADA CITY, ANDRA PRADESH

Vijayawada City and the rural areas around it have a population of 1.7 million, of which nearly 80 percent are agricultural laborers, road pavers, rickshaw pullers and tribal people. They usually have large families who live under one roof in small huts. Many live on an inconsistent daily wage which is barely sufficient for the basic necessities. In the villages and rural areas, agricultural laborers work for only six to eight months. After harvest, when the monsoon season arrives, they migrate to towns to seek work as

daily laborers for another six months. However, unemployment is high and families struggle for their livelihood. In these circumstances, their children, some as young as 8, are forced to work as child laborers in construction sites and city markets. Others are abandoned or sold by their own families, ending up in syndicates which force them into a life of begging, prostitution or pick pocketing in markets, bus and railway stations.

THE ORPHANAGE & WIDOW CENTRE

There are 69 children housed in CHAMPION KIDS' Home. This place provides a home and hope for the children. Through the sponsorship and support of generous sponsors, in 2010 JIREH English-Medium School was also started. This is the only English medium school in the mandal (sub-district made up of village clusters).

Your giving helps to give the children a safe living environment and an education for a hope and a future. A sponsorship of just SGD50.00 a month helps support one child, providing for his or her food, shelter in Champion Kids' Home, education in Jireh English-Medium School and other programs that support their development.

YTN MISSIONS THROUGH THE 4/14 WINDOW

WHAT IS THE 4/14 WINDOW?

The 10/40 Window is a term coined in 1990 to refer those regions located between 10 and 40 degrees north of the equator, a general area that in 1990 was purported to have the highest level of socioeconomic challenges and least access to the Christian message and Christian resources on the planet. The 10-40 Window refers to a geographic frame through which Christian mission work is focused on in the past 20 years; the 4/14 Window describes a demographic frame—a life season comprising the ten years between the ages of 4 and 14. Almost 70% of the world's 4- to 14-year-olds live in the 10/40 Window.

Christian leaders from around the globe are coming together to make an urgent appeal to consider the strategic importance and potential of the 1.2 billion children and youth in the 4-14 Window. It is a plea to open your heart and mind to the idea of reaching and raising up a new generation from within that vast group—a generation that can experience personal transformation and can be mobilized as agents for transformation throughout the world.

YTN shares a common vision with the 4-14 movement seeking to advocate, reach and rescue the 4-14 generation (i.e children in the age group of 4-14 years old) who cannot voice for themselves. At present, there are 1.2 billion children worldwide in this age group suffering from HIV, poverty, famine etc. These children are helpless and will perish if we do not help them. A whole generation will be lost unless we intervene. **Will you stand together with us to help the next generation?**

CHILD SPONSORSHIP

The child sponsorship program requires a minimum commitment of 6 months though we encourage sponsors to commit to see their children through at least Class 10 (equivalent to high school 'O' level). You may also send a one-time donation in support of programmes related to the development of the children.

You can send donations by cash, cheque or Internet banking.

* Note: your donations are non-tax-exempt.
 ** More details and the donation form are at the back of this page.
